

RE DESTROYS A SMALL HOUSE

RESIDENCE OCCUPIED BY MR. AND MRS. LAWRENCE MURPHY ON OHIO STREET, AND PRACTICALLY ALL OF ITS CONTENTS BURNED IN MONDAY MORNING BLAZE—

CARRIED NO INSURANCE

The home of Mr. and Mrs. Lawrence Murphy on Ohio street was destroyed by an early blaze Monday. The fire started from a defective stove. The house and practically its entire contents were burned. The loss will be heavy as no insurance was carried on the dwelling. The dwelling was a one-story three-room house.

Mrs. Murphy and children were in the front part of the house when the blaze started and did not discover the blaze until it was well under way. Two alarms were turned in, one from box 23, at the corner of Howard and Crown streets, and the other from box 63 at the corner of Sycamore and Chestnut streets.

The entire structure was ablaze when the firemen arrived, and the building was practically destroyed before the fire was extinguished. A cooking chair and several articles of wearing apparel were the only things that were not destroyed. Several of the people in the neighborhood of the Murphy home made efforts to save the household goods but were driven from the house by the fierce blaze and heat.

The house was owned by George Thomas, an aged colored man who resides next door to the Murphy home. He stated this morning that no insurance was carried on the house and it will be a total loss. It is not known whether the household goods were insured or not.

This is the second bad blaze that has occurred in the same neighborhood during the last few days. The home of Mrs. Belle Hinkle on south Illinois street was burned Thursday morning.

LEON MORRISON WEDS INDIANAPOLIS GIRL

Culminating a love affair of five years, Miss Ethyle Conklin and Harry L. Morrison were married Saturday afternoon by the Rev. Joshua Stansfield, pastor of the Meridian Street M. E. Church. The bride is proprietor of the Ideal Millinery store and the bridegroom is night auditor at the Claypool Hotel. Owing to the illness of the bride's mother, Mrs. H. A. Packer, no invitations were issued for the wedding. Mr. and Mrs. E. H. Hamlin were the only attendants. Both Mr. and Mrs. Morrison have lived here for many years. They have not decided on a permanent home and probably will live for awhile with Mr. and Mrs. Packer, 201 Roberts Annex.—Indianapolis Star.

H. L. Morrison is a former Greencastle boy, having resided here for many years. He is better known here as Leon Morrison. For many years, his father, now dead, practiced dentistry in this town.

Ben Simpson Winner in Suit.

As an echo of the famous case of Benjamin Simpson vs. the Big Four Railroad Company, the Supreme court of Indiana last week has handed down a decision affirming the decision of the Hendricks county court.

The case grew out of damages to Simpson's coal mine and clay plant about five miles north of the city when the Big Four changed the grade of the railroad. The case was filed here by Judge S. M. McGregor, attorney for the plaintiff, and venued to Putnam and Hendricks. A good many witnesses, including surveyors of this city and a number of Carbon people were called to Danville by the trial. Simpson filed suit for \$150,000 and was awarded \$25,000 by the jury.—Brazil Times.

Dr. W. M. McGaughey was called to the O. & I. quarries west of town Saturday afternoon to care for an Italian laborer who was injured when a stone car turned over catching him under it. The Italian was not badly injured.

HOPE FOR SOME NEW DOPE SOON

PENAL FARM SITE SITUATION HAS NOT CHANGED DURING THE PAST WEEK. BELIEVE SOMETHING WILL BE DONE SHORTLY—WEATHER BLOCKED WORK OF THE COMMISSION.

CARRIED NO INSURANCE

With the blizzard of a week ago blocking any work of the State Penal Farm Commission in visiting sites, which the members of the commission had pledged themselves to view before making a final decision in selecting a penal farm site, the situation in the penal farm matter is about the same that it has been for the past ten days.

It had been hoped that the matter could have been finally disposed of several days ago, but as the commission had promised to view two sites, one of them the Putnamville site, before making a decision and so no action has been taken.

The commission, it is believed, will be able to view the two sites this week, should the weather continue pleasant, and it is hoped that a decision can be made the first of next week.

Greencastle people are still of the opinion that the farm will be located here. If it is, work at construction will be begun this spring. About \$30,000 will be available for immediate use in building the penal farm buildings.

GREETED WITH BIRTHDAY SURPRISE FRIDAY EVENING

Mrs. George Garrett was very pleasantly greeted with a surprise party at her home on south Indiana street Friday evening in honor of her thirty-first birthday anniversary. Forty-five guests were present.

The surprise party was very cleverly planned by Mr. Garrett. He made arrangements for Mrs. Garrett to call on Mr. and Mrs. F. M. Lyons Friday evening. While Mrs. Garrett was at the home of Mr. and Mrs. Lyons the guests gathered at the Garrett home. Mrs. Garrett returned to her home about 8 o'clock and was very pleasantly surprised when she was greeted by her many friends. The evening was spent in a most enjoyable manner. The guests were entertained with a musical program and a series of games.

Mrs. Garrett was presented with a beautiful set of silverware by her friends. Refreshments of ice cream, cake and coffee were served.

BRACKNEY TAKES APPEAL FROM RULING OF JUDGE

Daniel P. Brackney, who was found guilty of selling a cow which he had mortgaged, by a jury in the Putnam Circuit Court, has filed a \$200 appeal bond, with the Judge of the court and may take the case to the higher courts.

Judge Rawley, as special judge, was here Saturday afternoon to hear a motion for a new trial in the case. He overruled the motion for a new trial and Thomas T. Moore and Fay Hamilton, attorneys for Mr. Brackney, notified the court that they would appeal from his decision. An appeal bond for \$200 signed by Mr. Brackney's son and Lefe Darnall, was approved by the judge and now Mr. Brackney had thirty days in which to take the appeal or pay the \$100 fine.

George Hoskins, one of the most prominent young farmers of Washington township, was taken to Indianapolis Sunday where he will take treatment in the Fletcher Sanitarium for mental trouble. Mr. Hoskins became ill about three weeks ago and his condition was such that he could not be treated at home. Dr. Jerome King and Sheriff Theodore Boes accompanied Mr. Hoskins to Indianapolis.

Walter Heath, the local contractor, has the contract for the carpenter work which will be required to remodel the St. Paul's Catholic Church, recently damaged by fire.

MARCH COMES JUST LIKE A LION

IF THE OLD SAYING IS TRUE, THEN SPRING LIKE WEATHER IS DUE TOWARD THE END OF THE MONTH—MERCURY GOES DOWN NEAR THE ZERO MARK.

CARRIED NO INSURANCE

The dope of the ground hog, when he saw his shadow on February 2 and went back into his hole, was good. For since that time Greencastle has seen more real winter weather than it had seen in several months previous to that time.

And now comes March. And it surely came in like a lion. Should another old time belief prove as true as the ground hog forecast, then you may expect springlike weather toward the end of the month. For the saying is that if March comes in like a lion, it will go out like a lamb.

The weather man began to prepare for the lion's entrance Saturday evening. The weather suddenly began to turn cold and a sharp wind blew a gale Saturday night. All day Sunday it was cold and the wind bitter. A light fall of snow accompanied the cold and wind.

Saturday night it got as cold as 8 degrees above zero. Sunday the temperature remained low all day, 14 above being as warm as it got all day. Sunday night the lowest the thermometer registered was 6 above zero and at 6 o'clock this morning it was 8 above zero.

The cold wind Saturday and Sunday night was most penetrating and this morning there were many frozen water pipes.

INTERURBAN CAR DERAILED AT BELT SUNDAY NIGHT

A freight car was derailed on the interurban near the Belt Railroad at Indianapolis Sunday night about 10 o'clock and several of the late cars were held up several hours as a result of the slight wreck.

The car which was derailed was a trailer on a through freight from Terre Haute to Indianapolis, which had taken a switch at the Belt Railroad in order that another car could pass. The car left the track as it was taking the main track. The track was blocked for several hours. The eastbound cars arriving at this city at 9:25 and 11:02 o'clock were held up. The westbound car leaving Indianapolis at 11 o'clock was also delayed. The track was cleared early this morning and the cars were not delayed today.

Road Contract is Let.

At a meeting of the county commissioners in their office at the court house Monday contracts were let for the building of the William B. Lovett road in Franklin township. A contract was let to the Art Metal Company at Chicago for supplies for the recorder's office. Much work yet remains to be transacted and it is not likely that all the business can be finished today.

The contract for the building of the William B. Lovett road in Franklin township was let to James and Mike Mahoney of this city. The bids on the road were as follows:

P. H. Layne & Son	\$12,994.50
A. G. Day	14,850.00
Allen & Sweet	12,974.00
Mahoney & Mahoney	12,695.00

The contract for a new metal book and filing case for the county recorder's office was let to the Art Metal Company. Only two bids were made for the work. The art metal company's bid was \$223.25 and Keiger & Company's bid was \$250.

The commissioners have visited the scene of the famous Moccasin trail, a small roadway southwest of Cloverdale. The controversy was recently heard by the commissioners but on account of other business transactions they have been unable to make a decision.

Mayor Walter Cooper and George Dobbs, Roy Abrams and Frank Allen, the members of the city sewer committee, together with the city engineer, Alec Lane and any other councilmen who desire to make the trip, will go to Danville and Lebanon this week, to investigate the sewer systems there and to learn whatever they can regarding the cost and methods of building sewers in towns of that size. Later the committee may visit Bloomington and other towns to investigate their sewer systems.

NEW SECRETARY FOR CIVIC LEAGUE

REV. L. D. DODD IS CHOSEN TO SUCCEED MRS. E. B. DOLL, WHO RECENTLY RESIGNED—WORK AT RAISING FUNDS TO FINANCE THE ORGANIZATION IS PROGRESSING.

CARRIED NO INSURANCE

The campaign of the officers of the Civic League of this city to raise a sufficient amount of funds with which to carry on work of the organization for the coming year so far has been very successful. Many people of this city have contributed liberally to the Civic League funds and the officers expect soon to have enough money pledged to defray the expenses of the organization for the coming year.

The officers of the Civic League are endeavoring to raise \$500 in order that the organization may start its year's work on a sound financial basis. The league has appealed to the people of the city for support. Although the officers are not willing to make a public statement of the exact amount of money that has been raised in the campaign they assert that the organization has a bright outlook for good financial backing.

The organization has undertaken many enterprises which pertain to the city's welfare and have been very successful in their attempts. They have cared for the city's poor, which is one of the largest tasks that has been undertaken by the league. A boy's club was organized several months ago. The club flourished and many of the youngsters of the city were enlisted in membership. The organization was disorganized some time ago but the Civic League hopes to start a new club in the future.

Rev. L. D. Dodd, pastor of the Methodist Church at Limesdale, has accepted a position as secretary of the Civic League, filling the vacancy that was left by the resignation of Mrs. E. B. Doll, who acted efficiently in that capacity for several years. The new officers took up their work March 1st. The officers are as follows: president, H. C. Allen; vice president, Rev. B. D. Beck; recording secretary, Mrs. John R. Miller; treasurer, Miss Wilhelm Lank; secretary, Rev. L. D. Dodd.

DORSETT'S INJURY MORE SERIOUS THAN REPORTED

The injuries of Chauncey Dorsett, of Cloverdale, who was caught under an automobile, which he was driving to Indianapolis Sunday afternoon, are more serious than was reported at first. It was reported that his arm was broken, but later it was learned that the injury was a dislocation at the elbow. The elbow was dislocated and one of the bones was pressed through the flesh. The injury is a serious one, more serious than a broken bone.

Mr. Dorsett is now at his home in Cloverdale.

HORSE CASE IS VENUED TO MONTGOMERY COUNTY TODAY

The case of Luke M. Duffy, of Indianapolis against Lewis McNutt of Clay County, which was venued from the Clay County Court to the Putnam County Court, has again been venued, it having been sent from the Putnam Circuit Court to the Montgomery County Court by Judge James P. Hughes Tuesday morning.

The case is one which resulted from a trade in which McNutt traded Duffy a stallion for some cows. Now each claims that the other misrepresented the stock traded.

Attorney James McNutt, of Brazil, attorney for Lewis McNutt, was here this morning and filed a motion for a change of venue. Allee, James & Allee, and Hays & Murphy, representing Mr. Duffy, were in court and by agreement of the attorneys the case was sent to Crawfordsville by Judge Hughes.

Mr. and Mrs. Lawrence Allen, Mr. and Mrs. Paul T. Allen of Rushville, and Mrs. David S. Phares of Tipton, spent Sunday with Mrs. Margaret Allen and family on Franklin street.

CLOVERDALE MAN IN AUTO ACCIDENT

MACHINE DRIVEN BY CHAUNCEY DORSETT, THE GARAGE MAN, SKIDS ON SLICK ROAD NEAR INDIANAPOLIS, AND TURNS OVER—ARM IS BROKEN IN TWO PLACES.

CARRIED NO INSURANCE

Chauncey Dorsett, of Cloverdale, was badly injured Sunday afternoon at about 1 o'clock, when an automobile he was driving, skidded and went into the ditch on the National Road about 1 mile west of Indianapolis. The car was overturned and Mr. Dorsett was caught underneath the wreck. His left arm was badly fractured in two places.

Mr. Dorsett, Louis Morrison and Hershall Foster, who are the proprietors of a garage in Cloverdale, were on their way to Indianapolis with three automobiles which they intended to sell in that city. Each was driving a car and was alone. The roads were very slick as a result of the recent snows and the car driven by Dorsett skidded from the road and he was unable to get the machine under control. The car turned over and he was caught under the machine and his left arm was broken at the wrist and above the elbow.

Morrison, who was driving behind, found Dorsett pinned under the wrecked car. The injured man was taken from the wreck and taken to the city hospital in Indianapolis where his injuries were dressed.

The machine which he was driving was not badly damaged. It was taken to an Indianapolis garage for repairs today.

Kappa Banquet is Pretty Event.

The fleur-de-lis, the sorority flower of Kappa Kappa Gamma, formed the central decorative idea at the banquet last evening at the Claypool Hotel by the alumnae of Iota Chapter. Husbands and men friends were the special guests.

At the long tables the purple and golden fleur-de-lis blossoms were arranged effectively and the fleur-de-lis colors and design were carried out in the menu, the ices being in flower forms and the confections frosted with the same figures.

The toast list also was suggestive of the fleur-de-lis in the various stages of its development. Mrs. W. W. Tucker of Greencastle, president of the entertaining chapter, acted as toast-mistress and the responses were given by Miss Lillian Neal, representing the active chapter, on "The Soil," Mrs. Mary Baker Beckett, for the younger alumnae, "The Bulb," Mrs. F. L. Pettijohn of Indianapolis, "The Foliage," and Mrs. T. H. Buskirk "The Blossom."

Following the toasts there was a program of readings given by Miss Rowena Cosner, Miss Summers and Mrs. Frank Donner of Greencastle and singing by a quartet of girls from the active chapter.

The hostess for the occasion were Mrs. Grace Smith Pettijohn, Mrs. Kate L. Newman, Mrs. Stella Walker, Mrs. Sue C. Mann, Mrs. Hettie Pritchard, Mrs. Mary Baker Beckett, Mrs. Susie E. NEW TERM OF COURT BEGINS

MARCH SESSION OF THE PUTNAM CIRCUIT COURT OPENED MONDAY—FORTY-EIGHT DAY GRIND OF LEGAL BATTLES BEGINS.

CARRIED NO INSURANCE

The March term of the Putnam Circuit Court began Monday morning, with the calling of the docket by Judge James P. Hughes. Since Putnam County was placed in a separate circuit by a recent legislative act, however, the opening of a term of court has little significance to Putnam county people. Under the present schedule of court one term begins the Monday following the closing of another term, so that court virtually is in a continuous session.

About the only thing that is noticeable with the beginning of a new term of court is that a new docket is printed. This is necessitated because of the new suits which are filed during the eight weeks of each term of court.

Beginning first Monday in January there is continuous court until the last Saturday in June, when court adjourns for the summer vacation. July and August are vacation months for the court. The fall term begins the first Monday in September.

During the first two days of the March term of court, which began Monday the following business has been transacted:

Probate Causes.

Anna M. Turpin against estate of Wilkinson Turpin, claim—cause dismissed.

Thomas H. Morris against John Horn, administrator of estate of Wilson E. Horn, deceased, claim—plaintiff files amended claim.

In relation to the guardianship of Elizabeth Masten—final report filed by Jesse C. Wells, guardian. Report examined and approved.

Civil Causes.

Benton Van Hise against the T. H. I. & Eastern Traction Co.—demurrer overruled and exceptions given defendant—defendant files general denial. Cause at issue.

Clint Parker against B. Z. Caplinger—plaintiff files motion asking change of venue from county.

Luke M. Duffy vs. Lewis McNutt—case taken to Montgomery county on change of venue.

Joseph C. Baker against George E. Blake—defendant files supplemental complaint—defendant ruled to answer March 9.

Houston C. Franklin against A. & C. Stone Co.—defendant files answer in general denial to complaint.

Emma Walton against Lonnie Walton—divorce—defendant ruled to answer by March 9.

OFFICERS DISCONTINUE THEIR SEARCH FOR BULLO

The search for Charles Bullo, the foreigner, who brutally assaulted John Kelly, a foreman at the O. & I. Stone Quarries west of the city several weeks ago, has been discontinued. Mr. Kelly sent word to the city officials Monday that he did not care to prosecute the case against Bullo even if he was captured.

John Kelly, a foreman at the O. & I. quarries, had an altercation with Bullo, who was working at the quarry and the latter was discharged. The night after the trouble the foreman was brutally assaulted by some unknown person. Bullo was suspected and a search was made for him but he had escaped. The foreigner was traced as far as Logansport but the officers were unable to locate him.

Marshal John Cooper received word from Kelly Monday, who stated that he did not care to prosecute the case against Bullo if he was captured. The officers are making no attempt to locate the foreigner.

Kelly, after his injury, was taken to the St. Vincent's Hospital in Indianapolis. He was able to be taken to his home in Middletown, O., Thursday. He is getting along nicely and will be able to be out in a few weeks.

Mr. and Mrs. William Feld and two sons, of Elwood, are the guests of the former's parents, Mr. and Mrs. William Feld, who reside in south Greencastle.

Miss Arabelle McCalip, of Brazil, spent Saturday and Sunday with Miss Hazel Vermillion of this city.

BUTLER WINS THE STATE ORATORICAL

LAWRENCE BRIDGE, WITH SPEECH ON "SOLVING PRINCIPLES IN WORLD FEDERATION," DEFEATS OTHER COLLEGE ORATORS IN CONTEST IN INDIANAPOLIS FRIDAY NIGHT.

D'PAUW FINISHES FOURTH

INDIANAPOLIS, Ind., Feb. 28.—Butler College won the state oratorical contest in Tomlinson Hall Friday night, its representative, Lawrence Bridge, a senior student, receiving the highest award of the judges on his delivery of a logical and consistent oration on "Solving Principles in World Federation." Young Bridges scored thirteen points, receiving one first on manuscript, two firsts on delivery, one third and one fifth on manuscript and one second on delivery, making a total of thirteen, the number of points being in inverse ratio to the standing.

Notre Dame, represented by Emmett G. Lenihan, received second honors with seventeen points; Earlham was third with twenty-one points, DePauw fourth with twenty-four, Franklin fifth with twenty-seven, Hanover sixth with thirty-two, and Wabash seventh with thirty-four.

Bridge, in his argument for "World Federation," asserted that the battles for freedom have not yet been won and will not be until world peace has been established. He appealed for the education of the masses and for public opinion to arouse a sentiment for world federation. He deplored the attempt of a nation to engage in warfare to gain the wealth of another nation and asserted that such efforts invariably result in the failure of such attempted conquests.

The subject of Mr. Lenihan, the Notre Dame student, who carried off second honors, was "The Living Wage." The underpaid wage earners of America are crying for justice, he said, and are scorned charity. The average wage earner, he said, does not ask for a distribution of wealth, but properly insists on having a living wage. The employer, he said, should treat his employees as chattels.

Miss Alma Madden, who represented Earlham and received third place, spoke on "The Problem of Democracy." It was one of the few oratorical contests in which a girl student has taken part. Democracy, she said, is the creed of civilized nations. Miss Madden observed that, unfortunately, the unscrupulous politician has become a part of this nation's democracy, and the people, having no X-ray with which to penetrate his operations, are unable to learn the cause of the apparent failure of democracy. The direct election of United States senators, commission form of government for cities, direct primaries, the initiative, referendum and recall, all indicate a tendency toward the democracy originally intended by the framers of the constitution, Miss Madden said. She recalled, also, that some one had remarked that "we have been suffering from the bad citizenship of good citizens."

Speaks on Social Progress.

Edwin H. Friedrich, the representative of DePauw University, who was given fourth place, took for his subject, "The Essential Element in Social Progress." Out of the struggle between conservatism and radicalism, he said, comes progress. The con-

tinued supremacy of either conservatism or extreme radicalism, he said, would mean regeneration. For the welfare of the nation he believed there should be a sympathetic co-ordination of the two forces, each to realize the indispensable value of the other.

The judges on manuscript were James A. Winans of Cornell University, C. D. Shurtler of the University of Texas, and Charles W. Dabney of the University of Cincinnati. The judges on delivery were W. K. Stewart, John A. Lapp and W. H. Stout, all of Indiana.

AND THIS FROM A CALAMITY HOWLER.

From yesterday's Bloomington Telephone:

"Saturday is the semi-monthly pay day at the big Showers plant and between \$18,000 and \$19,000 will go to the man in salaries. Pay days at Showers always means a busy Saturday night for the merchants around the square."

Noted Singing Evangelist.

Harry L. Maxwell, the evangelist and singer, who is to have charge of the music for the revival which will begin at the Methodist church Sunday is known throughout the country for his work in evangelistic meetings. For several years he was Rev. W. E. Biederwolf's associate and musical director. That noted divine said:

"It would be hard to see how Mr. Maxwell could be excelled as a gospel singer. His voice is a most remarkable one, a high clear, tenor, capable of rendering a solo in a most touching and powerful way. As a leader he has few, if any equals, he has the happy faculty of filling the platform with people whom others thought could never be induced to join a chorus and in two evenings of practice will have them singing with force and in a thoroughly surprising way, songs they had never seen before. He is without a doubt one of the best, if not the best, gospel singer now doing work in this country."—Martinsville Reporter.

SHERIFF BOES MAKES TRIP TO LOGANSPORT

G. H. S. GIVES VISITORS A BIG SCARE

LOCAL BASKETBALL TEAM PLAYS CRACK NEW RICHMOND AGGREGATION TO A CLOSE SCORE IN GAME PLAYED IN ARMORY HALL FRIDAY NIGHT—FINAL SCORE 27 TO 16.

LEAD DURING FIRST HALF

In one of the fastest and most sensational games ever played on the Amory floor, the Greencastle high school basketball team went down in defeat before the team representing the New Richmond high school Friday night. The final score was 27 to 16.

The New Richmond team is one of the strongest in the state. Of the 16 games the team has played this season it has been victorious 15 times. New Richmond was defeated on its own floor by the Lafayette high school, but it was handicapped by the absence of its center, Alexander, who is one of the mainstays of the Montgomery county combination. Later New Richmond defeated Lafayette high school at Lafayette. Some of the teams defeated by the New Richmond lads are Lafayette, Thorntown, Rockville and Waynetown. Thorntown has been considered the strongest team in this section of the state. New Richmond will appear at the state tournament and probably will carry off the state honors.

The game Friday night was characterized by the fighting spirit of both the New Richmond and Greencastle teams. The game was closely contested throughout and was not won until the final whistle blew. Both teams put up a strong defense, the guards playing an exceptionally good game. The team work of the Montgomery county lads was excellent and they were able to get the ball within striking range of their basket many more times than did the local boys. The New Richmond forwards did not hit the basket with any marked regularity as many shots were missed.

The game started with a rush. The Greencastle lads got in the lead when a foul was called on one of the visiting guards and Crump dropped the ball in the hoop on the free throw. Although the local lads handled the ball nicely they were unable to break the defense put up by Cunningham and Banta for New Richmond. Very seldom did they get the ball under their basket, but made good all their shots. Greencastle led the visitors throughout the first half of the game. The whistle blew with the score 10 to 9 in favor of the locals.

New Richmond took a decided brace in the second half. The score was tied in the first few minutes of play when Alexander, the crack forward for New Richmond, caged a free throw from the foul line. At this stage of the game both teams made a desperate effort to take the lead and several fouls were called on both the visiting and local players. The score see-sawed back and forth with first one team leading and then the other. By excellent passes and good shots the New Richmond boys caged the ball several times in succession and gained a lead that the locals were not able to overcome. Dunne, for the visitors, made three pretty baskets from the middle of the floor, which spelled defeat for Greencastle. The final score was 27 to 16 in favor of New Richmond.

It is probable that the management of the local high school athletic management will enter the Greencastle boys in the state tournament and the team may get to stack up against the New Richmond lads again this season.

The eighth grade basketball team which was selected from the players of all the ward schools defeated the freshman team of the high school. The score was 18 to 13. The game was a lively one and some good basketball material is promised the local coach from which to pick winning teams in the future. For the eighth grade Handy and Myers played the star game while the freshmen mainstays were Lynch and Robison.

One of the largest crowds that has ever gathered at the armory to witness a basketball game was present Friday night. The enthusiasm ran high during the game and the local team was well supported throughout the hard-fought game.

The members of the New Richmond and Greencastle teams were entertained by the girls of the senior domestic science class after the game at the class rooms on Spring avenue. A delicious luncheon was served the

guests. A dance for all the high school pupils was given in the Calumet hall. About thirty couples attended the "hop."

The next game which the locals will play is on the armory floor a week from tonight when they will play the Danville high school team. Playing the same brand of basketball that it has in the last few games the locals expect to have little trouble in defeating the Danville team.

The line-up and summary of the game Friday night is as follows:

N. R. H. S. (27). G. H. S. (16).
Cunningham — L. F. — Small
Monroe — R. F. — O'Brien
Alexander — R. G. — Crump
Banta — L. G. — McIntosh
Dunne — L. G. — Reel
Referee—Lewis of DePauw. Timer—Delap of DePauw. Field goals—Alexander, 3; Dunne, 4; Crump, 2; Monroe, 3; O'Brien, 2. Foul goals—Alexander, 5 out of 8 attempts. Crump, 6 out of 10 attempts. Time of halves—20 minutes.

BAINBRIDGE MASONS DEDICATE NEW HALL

The dedication exercises at the new Masonic Hall and Opera House at Bainbridge were held Friday night. The evening was a grand success. About 450 people were present for the exercises and entertainments.

The new building that has been erected by the Bainbridge Lodge of F. & A. M., No. 75, is one that the people of that town can well be proud of. The hall is equipped with a stage and may be used for theatrical purposes. The hall may be used for a dance floor.

The dedication exercises which were to have been held Friday afternoon were postponed until evening. An opening address was made by I. L. Wimmer, worshipful master of the Bainbridge lodge. O. B. Lane, principal of the Bainbridge high school, gave an excellent lecture. An elegant dinner was served in the hall.

A home talent dixie minstrel show was staged by the Bainbridge Masons. The show was very entertaining, the black face comedians uncovered some good jokes. The soloists were assisted by a chorus of about twenty voices. Harry Moore of this city was on the program.

After the minstrel show the new hall room floor was cleared and the guests danced until time for the Monon trains arrived in the city from the north and the south, which was about 2 o'clock. Many of the out-of-town people left on these trains. The music for the dance was furnished by the Bert Mitchell orchestra from Indianapolis.

The D. A. R. Entertains.

The members of the D. A. R. of this city and their friends were entertained with a Washington birthday party Friday evening at the home of Mrs. J. W. Cole on east Washington street. The party was to have been held last Monday but it was postponed until Friday night on account of the weather. About seventy guests were present.

The affair was informal. The guests participated in a very interesting guessing contest. The pictures of the 28 presidents of the United States were hung on the wall about the reception room and each was numbered. The object of the contest was to guess the name of the president whose portraits were hung about the room. J. P. Allen won the contest and was presented with a neat silk flag with a blue back ground and the president's insignia inserted in the center. Miss Helen Hathaway and R. G. McCutchan, who tied for second honors were each presented with a small silk American flag. Several delightful readings including "Pickett's Charge at Gettysburg," were read by Mrs. T. T. Moore. Refreshments of ice cream, cake, coffee and mint were served. The favors were small American flags.

Following the serving of refreshments, the guests of the evening danced the Virginia reel.

Obituary.

Orpha Annis Halfhill was born March 14, 1888, near Cloverdale, Ind. Departed this life on Sunday, Jan. 1914, at her home in Maple Heights. All her life was spent near the place of her birth. In July, 1906, she was united in marriage to Ervin Hapner. To this union was born two children, Emory Lester, who, with the husband, father, one brother, and one sister, and many friends are left to mourn the loss of this devoted mother, wife, daughter and sister. She was converted eleven years ago on Christmas morning and though not uniting with any church she lived a true Christian life, trying to live as best she knew and to bring up her children to love and serve God. Some two weeks ago she felt she wanted to join the church and expressed a desire to be baptized. This was on last Sunday and she was united with the Methodist church. She visited her many times in the last few weeks and nothing would quiet her sooth her so much as the songs of praise, the reading of the word of prayers. Over and over she would say for songs that she loved. She told that her soul was at peace with God and in Him was she trusting, willing to say, "Thy will be done." Though expressing a desire to stay with her husband and little children and all her dear ones, yet ready if God should call her. Only a few hours before death came she looked into our eyes and smiled and said, "It is all right, am trusting in Him." She asked to see her little boys and bade them good-bye as though she were leaving them for a little while. After telling her husband "not to feel bad, that the Lord knew best and would be with him at all times, to care for him and the children, she quietly and peacefully fell asleep in Jesus. Though dark and heavy sorrow doth cast no us its spell, And gloomy seems the morrow, Remember "all is well," Though grief doth hover o'er us, And dark clouds haunt our inn, We'll keep this sweet prayer before us, Father, Thy will be done.

ECZEMA COVERED ENTIRE SCALP

Spread to Body, Limbs, Back and Arms. If Scratched Would Bleed and Smart. Cuticura Soap and Ointment Completely Cured.

F. D. No. 2, Sunfield, Mich. — "I was afflicted with eczema. It began with a sore on the top of the scalp, broke out as a pimple and grew larger until it was a large red spot with a crust or scab over it. This became larger finally covering the entire scalp and spread to different parts of the body, the limbs and back and in the ears. These sores grew larger gradually until some were as large as a quarter of a dollar. They would itch and if scratched they would bleed and smart. The clothing would irritate them at night when it was being removed causing them to itch and smart so I could not sleep. A watery fluid would run from them. My scalp became covered with a scale and when the hair was raised up it would cause this scale; the hair was coming out terribly. My scalp and body itched all the time.

"After using Cuticura Soap and Ointment two applications we could notice a great difference. My way of using the Cuticura Soap and Ointment was to apply the Ointment to the sores and all over the scalp, then after I would wash the sores and scalp with the Soap. In a month's time I was completely cured." (Signed) Mrs. Bertha Underwood, Jan. 3, 1913.

Cuticura Soap 25c. and Cuticura Ointment 10c. are sold everywhere. Liberal sample of Cuticura mailed free, with 22-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

GREENCASTLE OPERATORS STRIKE OIL

FRANK COSS AND FRANK DAY, OF THE GREENCASTLE CABINET COMPANY, BRING IN A TWENTY BARREL OIL WELL ON LANDS LEASED NEAR SCOTTSVILLE, KY.—HAVE SIX HUNDRED ACRES UNDER LEASE—THE FIRST WELL DRILLED.

PROSPECTS ARE BRIGHT

SCOTTSVILLE, Ky., Feb. 26.—Indiana operators, Frank Coss and Frank Day, brought in a twenty barrel oil well today on the west end of the Frost lease, transferred to them from the White Plains Oil and Gas Company. They have six hundred acres adjoining the White Plains Oil and Gas Company leases. This well establishes an extension of the Allen county field one mile and is attracting attention of oil operators.

The men referred to in the above dispatch are Frank Coss and Frank Day, the owners of the Greencastle Kitchen Cabinet factory of this city. Mr. Coss stated this morning that last April he went to Kentucky and arranged for the leasing of the land, which showed good promise of developing oil.

Mr. Coss stated that the well referred to above is the first drilled by the two men and that the oil was struck at a depth of approximately 250 feet. On account of the shallowness of the bed of oil the drilling is not all expensive and, although the production of the first well is not large, it is ample to make the investment a profitable one. More wells will be drilled in the near future.

Mr. Coss stated this morning that he would go to the oil field just as soon as his partner, Frank Day, who is in the South on a pleasure trip, returned.

NO COUNTY AGENT HAS BEEN RELEASED

"Of six or seven hundred counties or districts in the United States which have tried out the county farm assistant, not one has dispensed with its man," said Pres. H. J. Waters of the Kansas agricultural college recently. "That is the strongest evidence I know of in favor of the success of the farm demonstrator propaganda. I like the term 'farm assistant' better than 'farm adviser,' or 'farm agent.' The farm assistant has not only proved himself indispensable but he has shown the possibilities of carrying the demonstration idea still further. One assistant in each county cannot do all of the work, and I am confident that before many years the most progressive counties will have two, three or four assistants to handle the various branches of farming followed in that county. It is bound to come to that. The fear that the new idea would go too fast is unwarranted. It is a healthy growth and it has only begun."—Orange Judd Farmer.

PRAISE FOR FORMER PUTNAM COUNTY BOY

The Daily Oklahoman, published in Oklahoma City, Okla., published the following in a conspicuous place on its front page:

It isn't often The Oklahoman devotes six columns of space to a subject of a political nature. Ordinarily we can utilize our space to better advantage. But there has been so much talk of late in connection with revamping our legislative system situation demanded by common sense and business prudence that we direct attention to a treatise upon the question appearing elsewhere in these columns today at the hands of State Senator J. Elmer Thomas, of Lawton, who suggests the adaptation of the commission idea to state government and shows how it may easily be accomplished.

The Sunday Oklahoman has in excess of 45,000 subscribers. That means according to the average usually applied, 225,000 readers.

The treatment of this subject by Senator Thomas is worthy of the perusal of the entire number.

J. Elmer Thomas is a son of Mrs. Elizabeth Thomas, who resides just west of town. He is a brother of Cleve Thomas, Fred Thomas and Oscar Thomas, all of this city. Since he went to Oklahoma several years ago he has been very prominent in politics.

PIG BLOWS UP AND BARN IS UNROOFED

Phil Fenn, an oil men, stopping in this city vouches for this one:

"An old farmer came to the city a few days ago and purchased a quantity of nitroglycerine and glycerine intending to make dynamite sticks to blow out the stumps which were on his farm. On reaching home he set the mixture in the wagon seat which he placed on the ground. One of the farmers fattening hogs came along, gave the can a rub with its nose which turned it over spilling the contents, which the animal immediately devoured. The farmer not knowing of the pig's recent find and being in a bad humor kicked the pig when it happened to get in his way causing an explosion that blew the roof off of the farmer's new barn."

GRIMES HAS A NARROW ESCAPE

GREENCASTLE FIREMAN WHILE VISITING THE BRAZIL FIRE DEPARTMENT, MAKES RUN TO FIRE—IS SAVED FROM PROBABLE SERIOUS INJURY WHEN LADDER, WHICH HE WAS CLIMBING, SLIPPED.

BRAZIL CHIEF TO RESCUE

Virgil Grimes of the Greencastle fire department would have been a patient at a hospital in this city today but for the prompt work of Chief Fred Urban in rescuing the Greencastle fire fighter as he was about to fall from the roof of the residence of L. Moskowicz at 110 East Logan street, while fighting a small roof fire at 4:45 o'clock last evening.

Grimes came down from Greencastle yesterday to visit the Brazil department and while at fire headquarters an alarm came in. The visiting fireman accompanied the department on its run to the home of L. Moskowicz and was in the lead on the attack on the fire.

Only the light horse wagon, which is equipped with short ladders and chemical tanks was taken on the run on account of the deep snow. Chief Urban threw up a ladder to the veranda and he and Grimes each took a ladder up with them. Urban put up a ladder which reached to the roof and Grimes campered up it with another ladder with a hook on the end which he threw over the ridge of the roof.

It happened that Grimes had got hold of what is known as a "belly" ladder, which is thick in the center and comes to a point on each end, and when he put his weight on the lower end and started to climb the hook was raised above the ridge of the roof and started down with Grimes.

The house is an unusually tall one and it appeared that Grimes was in for a good fall to the ice and snow about 25 or 30 feet below, but Chief Urban, who had followed him up the ladder to the roof, grasped him by the ankle and succeeded in holding him. The ladder was allowed to fall to the ground but Grimes escaped a long rest in the hospital.

The fire was but a small patch on the roof from a spark and was quickly extinguished with the chemical tanks.—Brazil News.

A STARTLING CONFESSION BY ZARING

FORMER PUTNAM COUNTY BOY, INDICTED FOR ELECTION FRAUD IN TERRE HAUTE, MAKES ASTONISHING DISCLOSURES WHEN CALLED AS WITNESS IN CASE AGAINST WILLIAM HUFFMAN, ALSO CHARGED WITH ELECTION FRAUD.

STORY IS SUBSTANTIATED

One of the greatest sensations ever developed in the Vigo county court occurred on Friday, when Dr. E. T. Zaring, son of Mr. and Mrs. Thomas Zaring of this county, who was indicted several weeks ago by a Vigo county grand jury, charged with election fraud, took the witness stand in the trial of William Huffman, also charged with election fraud, and confessed the story of the crime.

The story of Dr. Zaring came as a great blow to the defense.

William Huffman, formerly of this county, and a member of the Donn Roberts combine in the old Terre Haute council was indicted for permitting the removal of ballots from an election official. Alonzo Helmick, saloon keeper; Dr. E. T. Zaring, Grover Smith and James Harris were named in one indictment for the same offense.

His trial began this week, Special Prosecutor Roach, being assisted in the prosecution by Judge Harris and Judge McGregor, of Brazil.

Dr. Zaring, who was indicted at the same time and on the same charge, was called as a witness this morning. The story told by Zaring was substantiated this afternoon by Alonzo Helmick, another of the indicted men. Helmick made a complete confession. It is understood that the prosecution had arranged with both Dr. Zaring and Mr. Helmick, that the affidavits against them would be dismissed if they would make a clean out statement giving the exact circumstances of the affair. Allee, James & Allee, of this town, were attorneys for Dr. Zaring and were in Terre Haute today when the confession was made.

Dr. Zaring's story of the fraud is in substance, as follows:

On the afternoon before the election, William Huffman, election inspector, went to the office of the county clerk at 5 o'clock and secured the package of ballots to be used in his precinct. He took them to a saloon and left them until later in the evening, when he called Dr. Zaring, Grover Smith, and James Harris to the saloon of Grover Helmick.

Huffman told these men that he wanted to help the boys a bit and suggested that they all go to the home of Grover Smith. Here the ballots were opened and 158 were extracted from the bundles.

The ballots were all marked and it was arranged that Huffman was to cast them while serving as inspector the next day.

As the precinct in which Huffman lived was in a good residence district the work had to be done in a clever manner, and when the next morning came the inspector found that a large delegation of citizens had been appointed to watch the poll he lost his nerve and refused to cast the ballots.

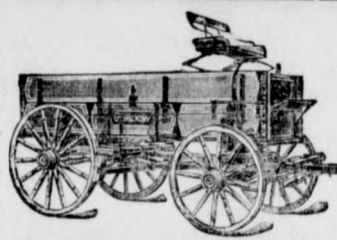

They were given to a man to take away and burn, but the man, instead of burning them, took them home and put them away. After the election, it is said, he took them to a Terre Haute politician, with threat of exposure if he was not paid, and sold them to the politician, who saw they were destroyed.

When the ballots which were not used in the Huffman precinct the inspector found that a large package from Huffman's district was just 158 ballots short.

This in substance is the story as told by Dr. Zaring. Soon after leaving the witness chair Dr. Zaring stated that he would leave Terre Haute Friday and go to Chicago, Ill., where he would take a post-graduate medical course, after which he would return to Terre Haute to practice medicine.

Huffman, the man on trial, is the crippled man who was in Greencastle for about three weeks before the election of delegates to the district convention. He was here as a representative of Donn Roberts, who was a candidate for district chairman. Huffman formerly resided in this county. He was struck by a train at Lima many years ago and one leg and one arm cut off.

Ex-Marshall Lemuel Johns is confined to his home on east Washington street on account of illness. He is suffering from a slight attack of pneumonia.

HORTICULTURAL SOCIETY
HOLDS MEETING

The County Horticultural Society met on Saturday, Feb. 21, at the home of Mr. Harry Randel. Officers were elected as follows: president, R. A. Ogg; vice president, D. C. Allen; secretary-treasurer, R. M. Hazelett; executive committee, John McFarlane, Mrs. S. A. Hazelett and D. C. Allen. S. A. Hazelett, Robert Allen and John McFarlane were made a committee to learn prices and order spray material for all who desire to spray. Messrs. Hind and Wetz, who bought the apples here in the fall, were present and manifested much interest in the work of the society, becoming members and expressing a desire to see fruit growing developed in this county. They are very optimistic regarding this as a fine section for fruit growing. They have leased some orchards which they intend to care for in the most scientific way in order to demonstrate still more fully what can be done by proper care in pruning, cultivating, spraying and marketing. They may lease a number more and it would be a good plan for people to see these men and make arrangements for them to lease their orchards for a time and see what the result will be. They are also favorably impressed with the thought that an ice plant for summer which could be used for cold storage in the winter would be a good thing and if there is sufficient interest to justify, they may conclude to erect such buildings. This

would be a great thing for the fruit industry of this section. The good prices of winter for apples could be had, instead of the smaller prices current when the great volume of apples could be had, instead of the smaller prices current when the great volume of apples is pouring in.

If the people who have small orchards would enter into the effort to make Greencastle a great fruit market, it would not be long until results would be marked. Co-operative work after the manner of that in the West would show what profits can be secured by union of effort. Orchards would be by far the best acres on the farm. For this county is well adapted to fruit and this industry should be developed. Orchards can be kept almost free from the various insects that are killing so many trees by one spraying a year before the leaves appear. If spraying is not done the trees will eventually die. And by spraying to destroy the moth and curculio and fungous diseases, fruit of fine quality can be had which will bring the highest market price.

The society plans to have regular meetings through the spring and summer, going to the homes and orchards to hold them. One of these is planned to be held as soon as the weather is favorable, and every one who would like to unite with the society in its work of making Greencastle and vicinity recognized as on the map in the fruit business, will be made welcome. Notice will be given of the time and place.

MEETING OF THE PENELOPE
CLUB ENDS IN A SURPRISE

The regular meeting of the Penelope Club held Tuesday afternoon at the home of Mrs. Grant Dennett, resulted in a great surprise for Mrs. Jesse Beemer, a member of the club, who recently surprised her many friends by wedding Mr. Beemer without announcing her approaching marriage to her friends. Mrs. Beemer, who formerly was Miss Nellie Gardner, was given a shower by the members of the club, after the regular meeting was over. Beside the members of the club, eight guests were present to enjoy the event.

Mrs. Beemer received many beautiful and useful gifts. Some of the gifts are as follows: Mrs. Otis Gardner, Mrs. Charles Donohue, Mrs. Fred Long and Mrs. Charley Gardner, sisters of the bride, gave her a beautiful set of cut glass tumblers; Mrs. W. A. Beemer, a cut glass dish; Mrs. C. Smith, Mrs. George Long, Mrs. A. D. Kelley, Mrs. Charley Leutke and Mrs. John H. James gave the bride towels; Mrs. J. Y. Denton, Mrs. Frank Allen, Mrs. George Johnson and Mrs. Thos. Sweet, each gave the bride a kitchen utensil; Mrs. Grant Scott, a pillow cover; Mrs. Cora O'Brien, nut bowl; Mrs. D. V. CELEBRATE 82ND BIRTHDAY
ANNIVERSARY AND WEDDING
ANNIVERSARY HERE TODAY.

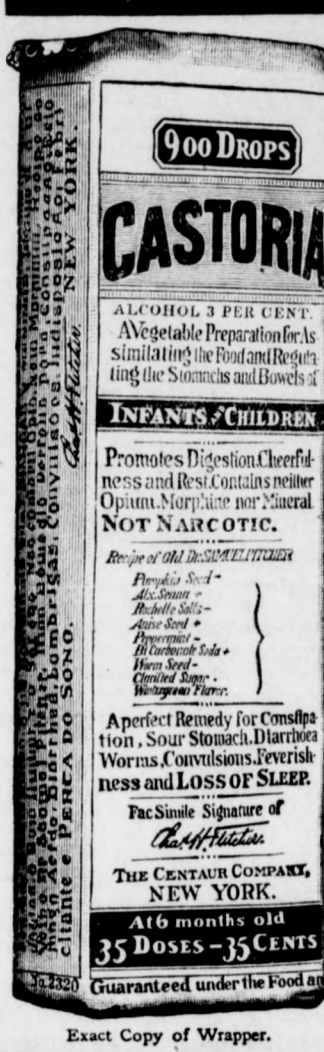

The 82nd birthday anniversary of one of Greencastle's most prominent men, L. P. Chapin, and the wedding anniversary of Mr. and Mrs. J. M. Pettijohn, of Terre Haute, was celebrated on Wednesday. She formerly was Miss Hannah Lee Chapin of this city. Mr. and Mrs. Pettijohn came to Greencastle so that they might spend the day with her father and celebrate both his birthday anniversary and their wedding anniversary. Mr. Chapin, who was overcame while down town Monday, is much better today. He is able to be up and about the house.

O. A. Hutchens and S. N. Quillen, the two state board of account examiners who have been here for two weeks examining the books of the county auditor and the county treasurer for the year 1913, completed their work this afternoon and left for Indianapolis. With the completion of the examination of these books all of the county offices have been examined for the past year. The township trustees of the fourteen townships also have been examined. There are few counties in the state which can boast of having all of the books of all of the county and township offices checked up for the year 1913.

The county commissioners failed to make a decision in the Moccasin trail controversy at their meeting here on Wednesday. They will visit the sight as soon as the weather will permit in order that they will be more thoroughly acquainted with the situation and able to make a decision. The heavy fall of snow several weeks ago proved to be very expensive for the county. About \$1200 has been expended by the county for the clearing of the roads of snow in order that traffic would not be blocked. A large number of claims were filed with the county auditor and the county commissioners allowed the money for this work at their meeting at the court house today.

Henry Newgent, who is employed at the Harris Mill, is off duty for a few days. In some unknown manner Mr. Newgent's hands become infected by poison.

The condition of Mrs. Louisa Hutcherson, who resides near Hamrick Station, is reported to be very critical. Little hope is given for her recovery.

THE TROUBLES OF A LAD ARE STRAIGHTENED OUT.

Through the efforts of Mrs. E. B. Doll, and Sheriff Theodore Boes and his deputy, Howard Harris, the troubles of Mike Luketie, a 12-year-old East Chicago boy, who arrived in Greencastle Sunday morning, were straightened out.

The lad arrived in Greencastle Sunday morning. He carried a large suit case filled with clothing, and had a note addressed to the Chief of Police, but no town was designated. The note was signed by Ot Moddesitt, and asked the chief of police to direct the boy to his (Moddesitt's) home. But Moddesitt forgot to put his town address on the note.

The boy was taken in charge by a bus driver when he arrived in Greencastle, and as the driver did not know what to do with the lad he took him to the sheriff's residence. The lad remained there all day Sunday. On Monday, Mrs. Doll, together with the officers, manager to get the troubles of the lad straightened out.

Knowing that there was some Moddesitt families living near Brazil, Mrs. Doll telephoned to that town and found Mrs. Ot Moddesitt. The latter told Mrs. Doll that the lad had been sent from his home in East Chicago by his father and Mr. Moddesitt, who is working in East Chicago. The lad had started for the Moddesitt farm near Brazil, where he will make his future home.

He was supposed to have taken the interurban car from Greencastle, but became confused, forgot the town he had started for and was lost. Mrs. Moddesitt promised to meet the lad at the interurban station and the officers here saw that he was placed on a traction car and started for Brazil.

SMALL BLAZE AT HOME OF GEORGE WILLIAMSON

The fire department was called to the south part of the city to extinguish a blaze at the home of Mr. and Mrs. George Williamson on Crown street Monday night about 8:45 o'clock. The damage resulting from the blaze was only slight.

Mrs. Williamson hung several articles of bed clothing behind a small heating stove in an upstairs room. The bed clothing caught afire from the hot stove and a small blaze resulted. Vera, the 13-year-old daughter of Mr. and Mrs. Williamson, discovered the fire and an alarm was telephoned to the fire department.

The firemen were not forced to use a line of hose or the chemical apparatus. The burning bed clothing was thrown out the window and the small blaze was extinguished with a bucket of water. Only a small hole was burned in the carpet and the wall was badly scorched.

MARSHAL & O'HAIR

Miss Ruby Hyde Becomes Bride.

The home of Mr. and Mrs. T. C. Bond, near Reelsville, was the scene Sunday, Feb. 22nd, of an interesting wedding, that of their daughter, Miss Ruby Lucile Hyde, and Mr. Ralph A. Major, son of Mr. and Mrs. George Major of Kentland, Ind.

The marriage was the culmination of a romance begun last year at Lake Village, where Miss Hyde was employed as a teacher.

The bride, a most charming young lady, is one of the favorites of the younger set and has attended DePauw University and the State Normal School. The groom is the son of a wealthy retired farmer of Newton county.

The attendants at the wedding were the bridegroom's brother, Mr. Ray Vernon Major, best man, now a senior in Purdue and Miss Lillian Josephine Stroube of DePauw, maid of honor. Miss Stroube is a cousin of the bride.

It was a pink and white wedding and that idea was carried out in all the appointments. The wedding march played by Mrs. Dee Krider of Brazil, announced the entrance of the bride party, which was led by the Rev. E. L. Day of Indianapolis, then came Mr. Ray Major and Miss Stroube, followed by the bride and groom, and just at high noon the Rev. Day performed the beautiful and impressive ring ceremony.

The bride was most lovely in bridal white, her gown being of crepe meteor draped in shadow lace with rose trimming and her Juliet cap of lace held the tulle veil. In her arms she carried a shower of bride's roses. The maid of honor wore a dress of beaded chiffon, over satin.

After the ceremony the bride and groom received congratulations. A three-course dinner was served. The color scheme was carried out in the refreshments. Miss Nellie and Miss Audra Bond assisted in serving the guests. About seventy-five were present. Many of the guests were from a distance and a greater part of them were relatives.

The guests from a distance were Mr. and Mrs. Thompson and the Rev. E. L. Day of Indianapolis, Mr. and Mrs. George Dobbs of Greencastle, Dr. C. N. Stroube and family of Roachdale, Miss Major and A. Shew of Kentland, Mrs. Harvey Monnett and little son of Cloverdale, Miss Hallie Burton of Farmersburg, Mrs. Roy Bennett, Mrs. Marion Hyde, Mrs. A. D. Torr and children of Terre Haute, Miss Elsie Baumgartner of Clay City, Mrs. Eliza Gardner, Charles Knight and family, Mr. and Mrs. Dee Krider, and Mr. and Mrs. Henry Vickers of Brazil.

Mr. and Mrs. Major left on the four o'clock interurban car for the honeymoon. The bride's going away gown was blue cheviot, trimmed in fur and chiffon. They will be at home after March 15th near Kentland where the groom will engage in farming.

BISHOP BOWMAN EXPIRES AT 97

DEAN OF METHODIST CHURCHMEN AND FORMER PRESIDENT OF DEPAUW UNIVERSITY, DIES AT DAUGHTER'S HOME IN NEW JERSEY—VENERABLE PREACHER DEDICATED MORE THAN 1,000 EDIFICES AND ATTENDED CONFERENCES IN MANY COUNTRIES OF THE WORLD.

BEGAN LIFE WORK IN 1838

EAST ORANGE, N. J., March 3.—Thomas Bowman, 97 years old, dean of the American College of Bishops of the Methodist Episcopal Church, died here today after a lingering illness. Bishop Bowman formerly was president of DePauw University, and for sixty-one years he had devoted his life to preaching or educating students for Methodist service. He had been a bishop for twenty-four years.

Bishop Bowman was the fourth president of Asbury College, now DePauw University. He was born near Berwick, Columbia County, Pennsylvania, July 15, 1817, the son of John and Sarah (Britain) Bowman. From his early boyhood he showed great ambition to acquire a good education and his father sent him to Wilbraham and Cazenovia Academies to prepare him for a college education. Thomas made rapid progress and having completed his preliminary studies, entered Dickinson College, at Carlisle, Pa., from which he was graduated in 1837, the valedictorian of his class.

He then took up the study of law, but his thoughts were turned toward the ministry, and in 1838, only one year after his graduation, he began preaching. He showed great ability and met with considerable success. For more than a year he was the agent of the Pennsylvania Colonization Society and then he was ordained deacon and elder by Bishop Waugh, and appointed to the Beaver Meadow mission by the Baltimore Conference. From 1840 to 1843 he taught in the grammar school of Dickinson College; then, on account of failing health, he took a supernumerary position in his conference, and for five years managed a small farm and flourmill in his native town.

The life in the open air and comparative rest greatly benefited his health, and in 1848 he was able to return to active work, having been appointed principal of Dickinson Seminary at Williamsport, Pa. He conducted that institution with remarkable ability for ten years, greatly to its profit and advantage.

In 1858, while holding a position as pastor at Lewisburg, Pa., he was unexpectedly elected president of Asbury College. He remained in that position ten years, accomplishing great results in extending the grounds, enlarging the endowment fund, increasing the number of students and generally building up the institution.

Elected Senate Chaplain. While holding the position of president of that institution, in 1864, Mr. Bowman was appointed by the General Conference a delegate to the British Wesleyan Conference, and in the same year he was elected chaplain of the United States Senate, an office which he held during two sessions. He became well acquainted with Abraham Lincoln at this time. He was one of the first to warn Lincoln of plots to assassinate him.

In 1872 the General Conference, sitting in Brooklyn, N. Y., elected him to the state of bishop or general superintendent of the Methodist Church, the first of the eight bishops then chosen. In this capacity he attended all the annual conferences of the Methodist Episcopal Church in the United States, besides many in India, China, Japan, Mexico and Europe. His official residence was St. Louis, but his work took him everywhere. His tenure of office he dedicated more than 1,000 church edifices, of which at least one was in every state and territory of the Union and many in foreign countries.

Bishop Bowman was a man of unusual ability and had a tremendous capacity for work. He fulfilled the duties of his office most conscientiously and neither his age nor the ills and weaknesses resulting from it were ever permitted to stand in the way of his duties.

way of a strict and faithful performance of his duties. He was of a kind and amiable disposition and had practically no enemies. His friends and admirers in and outside his church could be counted by thousands. He was probably one of the best-known bishops of the Methodist Episcopal Church while in active duty and was respected and honored wherever he went.

Relieved of Active Work.

At the General Conference in Cleveland, O., May, 1896, it was concluded to relieve the venerable bishop of the burden of active work, but at the same time he was left in full possession of all the dignity and honor of the episcopal office. As early as 1853 the Ohio Wesleyan University conferred the honorary degree of D. D. upon Dr. Bowman and in 1872 Dickinson College honored him by conferring upon him the degree of LL.D.

While teaching in the grammar school of Dickinson College, Dr. Bowman became acquainted with Miss Matilda Hartman of York, Pa. After a short courtship he married her on July 13, 1841, and in the course of their happy and serene married life she bore him several children. The home life of the family was ideal and continued undisturbed until the children were grown up and one by one left the parental home.

No other bishop in the service of the M. E. Church ever reached such an advanced age. Bishop Bowman had created as "the grand old man of the faith." Sixty-one years of Dr. Bowman's life were spent in active church service. It is the longest record known for continuous church work. He never took a vacation.

His closing years were spent at Orange with his daughter, Mrs. B. D. Caldwell, wife of the president of the Wells, Fargo & Co., Express. Besides Mrs. Caldwell the bishop is survived by the following children: Mrs. George P. Smith, Baltimore; Theodore C. Bowman, Los Angeles; and Thomas M. Bowman, Denver, and C. B. Bowman, Tennessee.

FUNERAL FRIDAY MORNING.

Many Church Dignitaries to Attend Services in DePauw Assembly Hall.

The body of Bishop Bowman, who died in Orange, N. J., will be brought to this city for burial Friday morning. It is expected to arrive at 11 o'clock in the forenoon and will be taken either to the home of Dr. H. A. Gobin, vice president of DePauw University and a life-time friend of Bishop Bowman, or to Meharry Hall, DePauw's assembly room, where the funeral services will be held.

The funeral services will be in charge of Bishop John H. Vincent, selected by Bishop Bowman himself. He will be assisted by all the other bishops in attendance.

Most of the bishops in the Methodist Church in the United States are expected to attend. Among those who are to be here are Bishop D. H. Moore of Indiana, Bishop Cranston of New York city, Bishop McDowell of Chicago, Bishop Francis J. McConnell of Denver, former president of DePauw University. In addition to these there will be many other men high in the councils of the Methodist Episcopal Church. About one hundred ministers are expected here for the services.

The funeral will be for the public and will be held at 2 o'clock in Meharry Hall in the east college of DePauw University. Burial will be in Forest Hill cemetery, where Bishop Bowman's wife and several members of his family are buried. The faculty and students of DePauw will attend in a body. The pallbearers have not yet been selected, but will be ministers of the Methodist Church.

Now is the time to take special care of the complexion if you wish it to look well the rest of the year. The February and March winds have a strong tendency to bring out freckles that may stay all Summer unless removed. Now is the time to use othine—double strength.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful that it is sold by druggists under guarantee to refund the money if it fails. Get an ounce of othine—double strength, and even a few applications should show a wonderful improvement, some of the smaller freckles even vanishing entirely.

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering, At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa. — "When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadfully rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and of course felt very bad in the morning, and had a steady headache.

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound." — Mrs. FRANK CLARK, 3146 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women for forty years how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It will pay you to do so. Lydia E. Pinkham Medicine Co., Lynn, Mass.

RESIDENCE VICTIM OF A BAD FIRE

HOME OF MRS. BELLE HINKLE AT CORNER OF HOWARD AND CROWN STREETS IS BADLY DAMAGED IN THURSDAY MORNING BLAZE—OWNER CARRIES SOME INSURANCE.

THE ROOF BURNED OFF

The home of Mrs. Belle Hinkle on south Illinois street was partially destroyed by fire early Thursday morning. The blaze had made much headway before discovered and the house was badly damaged. The fire is supposed to have started from a defective flue. It is not definitely known whether the damage was totally covered by insurance or not.

Mrs. Hinkle, who is employed at the Home Steam Laundry, was not at home when the fire started. The blaze was discovered by neighbors, after it had gained much headway. An alarm was turned in at box 420 on the corner of Howard and Crown streets. The firemen made a good run to the scene of the blaze.

The roof of the house was partially burned off when the firemen arrived. Two lines of hose were laid from fire plugs near the Hinkle home. The residents in the vicinity of the fire broke in the doors of the house. A large portion of the household goods was carried from the burning house and saved from destruction.

Fireman Grimes, while working on the roof of the house with a line of hose, fell through the roof of the structure. The roof, on account of its weakened condition as a result of the fierce blaze, gave way under his weight and he fell to the interior of the burning house. He was taken from the house by the other firemen. He was only slightly injured as a result of the fall, and was able to go on with his work fighting the fire.

It is not definitely known just how much insurance was carried on the Hinkle home, but it is reported to be in the neighborhood of \$250. The fire loss will exceed the amount of insurance on the property.

This fire is the second bad one the firemen have had to contend with in the last few days but both blazes were handled in good shape. The other fire was at the Catholic church Tuesday morning.

COUNTY AGENTS ARE SECURED BY PETITION

The recent agitation in Putnam county regarding the securing of a farm agent for the county has caused many persons to ask regarding the law governing the appointment of these agents.

Following is the law governing the appointment of an agent:

Whenever twenty or more residents of a county, who are actively interested in agriculture, shall file a petition with the county board of education for a county agent, together with a deposit of \$500.00 to be used in defraying expenses of such agent, the county board of education shall file said petition, within thirty days of its receipt, with the county council, which body shall, upon receipt of such petition, appropriate annually the sum of \$1500.00 to be used in paying the salary and other expenses of said county agent. When the county appropriation has been made the county board of education shall apply to Purdue University for the appointment of a county agent whose appointment shall be made annually and be subject to the approval of the county board of education, and the state board of education. When such appointment has been made there shall be paid annually from the state fund provided for in this act, to Purdue University, to be paid to the county providing for a county agent, an amount sufficient to pay one-half the annual salary of the county agent appointed as herein provided: Provided, That not more than \$1000 shall be appropriated to any one county: Provided further, That not more than thirty (30) counties during the year ending September 30, 1914, and sixty (60) counties during the year ending September 30, 1915, shall be entitled to state aid. It shall be the duty of such agent, under the supervision of Purdue University, to cooperate with farmers' institutes, farmers' clubs and other organizations, conduct practical farm demonstrations, boys' and girls' clubs and contest work and other movements for the advancement of agriculture and country life and to give advice to farmers on practical farm education in agriculture and domestic science. The county board of education is hereby authorized to file monthly bills covering salary and expenses of county agents, the same to be approved by Purdue University, with the county auditor, who shall draw his warrant on the county treasurer for the payment of same.

DEATH CALLS MRS. MARTHA ANN HOUCK

PROMINENT PUTNAM COUNTY WOMAN PASSES AWAY AT THE HOME OF MR. AND MRS. FRANK LYON ON BLOOMINGTON ST. AT 4 O'CLOCK THURSDAY MORNING.

FUNERAL ON SATURDAY

The death of Mrs. Martha Ann (Penny) Houck, age 79 years, widow of the late David Houck, occurred Thursday morning at 4 o'clock at the home of Mr. and Mrs. Frank Lyon, on Bloomington street, following a long illness of a complication of diseases, which resulted in pneumonia, which was the immediate cause of her death.

The funeral of Mrs. Houck was at the home of Mr. and Mrs. Lyon on Saturday morning at 10 o'clock, conducted by Elder C. L. Airhart. The body was taken to the Bethel cemetery at the Little Walnut Baptist Church for burial.

Perhaps there was no more prominent or more beloved woman in Putnam county than Mrs. Houck. Born and reared in Putnam county she spent her entire life here. She was widely known in Putnam county and among her many acquaintances there were none but what thought of her in the most friendly and kindly manner.

Mrs. Houck, since the death of her husband a few years ago, had been making her home with the children. The early part of the winter she spent with her son, John W. Houck, and his family in Muskogee, Oklahoma. While there she suffered an attack of illness and her daughter, Mrs. Frank Lyon, of this city, and her son, James A. Houck of Indianapolis, both went to Oklahoma to be with her.

Recently her health had been improved and two weeks ago last Sunday she came to Greencastle that she might be with her daughter. John Houck accompanied her from Oklahoma to St. Louis, where they were met by James Houck, who accompanied her to Greencastle.

Her condition seemed to be encouraging until pneumonia developed. On account of her weakened condition she was unable to withstand the disease and her death resulted.

Mrs. Houck was twice married. Her first husband, Anthony Houck, died at the early age of 27 years. Four children were born to this union. Three of them survive. They are Mrs. Frank Lyon of this city, James A. Houck of Indianapolis, a member of the State Tax Commission, and John W. Houck of Muskogee, Oklahoma, formerly a Putnam county man and ex-Clerk of Putnam county.

Mrs. Houck's second marriage was in 1876, when she was united in marriage to David Houck, a brother of her former husband. Mr. Houck was called by death about three years ago.

Early in her life Mrs. Houck united with the Old Baptist church, known as Bethel Church on Little Walnut. Her first husband was also a member of this church and is buried in the church cemetery.

HOW FARMERS SHOULD COMPUTE THEIR INCOMES

Incomes Under \$3,000 Not Affected By Income Tax—Method of Computing Net Income Explained—Returns for Last Year Must Be Made to Collectors by March 1.

WASHINGTON, D. C., Feb. 26.—If a farmer is so fortunate as to have a net income of over \$3,000 a year in case he is a bachelor, or \$4,000 if married, he is subject to the income tax, and under the law each individual must make return to the Internal Revenue collector of his district on or before the first day of March if he has a net income of \$3,000 or over (\$2,500 for the ten months in 1913). While the interest of most farmers in this subject is purely academic, the Department of Agriculture has received inquiries indicating that some wish to know just what is required of them under the new law.

The income tax law of October 3, 1913, places a tax of 1 per cent. upon all net incomes of over \$3,000, with an additional tax on incomes of \$20,000 or more. The first question arising in the minds of most people is what constitutes a net income. For a man receiving a regular salary, or a business with a good system of book-keeping, it is easy to determine whether or not his income is taxable. But for the farmer who receives no

Are You a Woman?

TAKE GARDUIN The Woman's Tonic

stated income, and who often fails to keep accurate account of receipts and expenditures, it is most difficult to calculate his net income.

In order that farmers may be posted on the income tax as it may concern them, the following information has been furnished by the Internal Revenue Bureau of the Treasury Department:

In general, an income consists of amounts derived from salaries, wages or compensation for personal service, paid in any form; also from professions, business, sales or dealings in property, or from rents, interest on bonds or mortgages, dividends on stocks, or other income from investments. These items constitute gross income, from which there should be deducted the expenses of carrying on the business; interest paid on indebtedness; worthless debts charged off; exhaustion, wear and tear of property, and any income upon which the income tax has already been deducted at the source, as, for instance, dividends on the stock of a corporation which has already paid the tax in its earnings.

The provisions regarding net incomes of \$3,000 apply only to unmarried persons, or to married persons not living with wife or husband. A husband and wife living together are entitled to an exemption of \$4,000 on their aggregate income. This means that in case the wife has a separate income, if this added to the husband's income amounts to \$4,000 the total is subject to tax; or, if the wife has no separate income, the husband's income is taxable only in case it reaches \$4,000. But a return must be made if the aggregate income of both is \$2,500 for the year 1913. The joint exemption, however, would be \$3,333.33.

In arriving at his net income the farmer should start with his gross income. This would consist of any items of the kind above enumerated, and especially all receipts from the sale of products of every description from the farm. This would include all money received for produce and animals sold, and for the wool and hides of animals slaughtered, if the wool and hides are sold; but he may deduct from these items the amounts actually paid as purchase money for the animals sold or slaughtered during the year. When the animals raised by the owner are sold or slaughtered, however, their value should not be deducted.

From the gross income there should be deducted amounts of money actually paid as expenses for operating the farm and producing the farm products, live stock, etc. This would include hired farm labor, farm supplies, purchased that are necessary to carry on the business and not an investment that represents principal, etc. Expenses for repairs on farm property may be deducted, provided the amount deducted does not exceed the amount spent for such repairs during the year for which the return is made. The cost of replacing tools or machinery may also be deducted to the extent that the cost of the new articles does not exceed the value of the old. No deduction may be made for the cost of additional farm machinery, but credit may be allowed for the annual depreciation in the value of such machinery. For example, if a machine cost \$100 and is regarded as good for ten years of service, the annual depreciation would be 10 per cent. and a deduction of \$10 each year could be made on this account, as part of the expense of operating the farm.

The expense of supporting the family, however, can not be deducted from the gross income. Among items for which credit is not allowed are expense for medical attendance, life insurance, insurance on dwelling, store accounts, family supplies, wages of domestic servants, and cost of board, room or house rent for family or personal use. In case an individual owns his residence he cannot deduct the estimated value of his rent. But a tenant operating a rented farm as proprietor may deduct the rent of the farm as a part of the expense of his business.

Farmers are not required to include in their income the produce taken from the farm and consumed by the family. Only produce sold off the farm is to be included. A farmer is not entitled to a deduction for his own labor, or for expense of feeding live stock. He may, however, deduct such items as cost of fertilizer and other supplies and materials which are used up in the course of his operations. The law provides that for the year 1913 the tax shall be computed only

on the net income for the ten months

from March 1st to December 31st, and that returns shall be made on the basis of five-sixths of the year. Therefore, if the net income for the last ten months of 1913 amounts to \$2,500 or more a return on form 1040 is required. For the ten months of 1913 every single person is allowed \$2,500 exemption and in the case of husband and wife, living together \$3,333.33 exemption. In computing the net income for this period deductions should be made for only five-sixths of the amounts properly allowable for the whole year. Returns for 1913 must be made by March 1st, 1914.

Blanks for making returns for the income tax may be obtained from the collectors of internal revenue throughout the country, or from the Bureau of Internal Revenue of the Treasury Department at Washington, D. C. In case of failure on the part of any one who is subject to the tax to file the return by the first of March, the law fixes a penalty of 50 per cent. of the amount of the tax assessed and \$10 to \$1,000 fine. In case of false or fraudulent return there is a penalty of 100 per cent. and \$20 to \$2,000 fine and one year's imprisonment or both. The Bureau of Internal Revenue is preparing regulations which may be obtained by interested persons on application to collector of Internal Revenue for the applicant's district.

What Drink Did to One Man.

The American Magazine has been publishing a number of articles touching on the drink problem. In the March number a contributor tells what drink did to him. Following is an extract:

"I have gone many routes in my fifteen years' bombardment of the red demon, and by no means do I wish to give the impression that I am in any way secure in my present position of a teetotaler. When a man has gone six months and fallen; then seven months and fallen; then eight months and fallen he is not apt to 'swell with pride' when he is writing with only a two-months' record to his credit. And that's the percentage on the series which the writer is now playing.

"One of the mysteries of the alcoholic game is that after the 'jag' is finished and you return to terra firma, your mental equipment doesn't seem to be impaired. I am a newspaper man, have been for fifteen years, and the finish of each long drawn-out spree seems always to be followed by fresh inspiration. Undoubtedly a man is benefited by a broader view of life—has more sympathy for his fellow man generally, and can't help but profit by the bitterness of his experiences. At least, it seems so in the newspaper game.

"After reading the Macfarlane article in the January number I reviewed my own record of come-back attempts and this record, in brief, I

hand to you:

"Two visits, each of two weeks, to the 'springs' cure. (Partly successful, the lack of proper environment, presence of bars, limit of treatment and lack of earnestness entering into the failure.)

"Three trips to private hospitals with no special line of treatment, just a rest cure. (Fairly successful; that is, I sobered up sufficiently to work, but remained sober only a short time.)

"One three-day liquor cure. (Absolute failure. I was filled with whisky the first day, nauseated, weakened by purgatives, and if I hadn't the constitution of an ox I believe I would have died.)

"Alcohol ward, Bellevue Hospital. Kept four days, denied drink and tobacco, choked full of 'dope,' and had a good start on an uproarious spree two hours after I was discharged from the hospital.

"One week in a monastery (new and original idea, I believe) which was followed by six months of sobriety.

"One week in same, after next fall, followed by eight months of sobriety. "After this last fall, following the eight-months' dry period, I was ashamed to go back to the monastery, but after a long period of drunkenness, extending over an area of about four thousand miles, I hid away at home (in my own house) for three months and made a record of seven months without a drop.

"I did my last sentence in Old St. Paul's Club, Philadelphia, where I washed dishes, scrubbed floors, shoveled ashes and did the most menial of tasks—because I wanted to do them. I didn't have to—and believe that I got the moral kick.

"In the foregoing chronology I haven't attempted to list visits to hospitals, where I have talked my way out in a day or two; or numbers of Turkish bath treatment, which are no treatments at all; or innumerable times I have locked myself in a hotel room, always to embrace temptation by means of a telephone and a uniformed bell-boy."

Miss Ora Moore, who recently underwent an operation for appendicitis at the Methodist Hospital in Indianapolis, is now suffering from a severe attack of pneumonia. Her condition is considered very critical. Miss Moore made her home with Mr. and Mrs. A. P. Burnside of this city for several years during which time she graduated from the Greencastle high school and attended DePauw University. Miss Moore, up to the time of her illness, was at the Methodist Hospital in training to become a nurse.
